

PETER RABBIT

Continued from page 19

Fasten shirt and waistcoat fronts with small press studs and trim waistcoat with pearl buttons. A small ribbon bow may be tied around the rabbit's neck under the shirt collar.

CARROT:

Join the two carrot shapes together around the edge, stuff firmly and gather the top. Stitch carrot to Rabbit's jaw.

PETER'S FRIEND, JANE:

This can be made from the pattern provided, by joining at shirt bodice a piece of cotton material 18" x 6", gathering to make a skirt.

The trousers to be cut from plain cotton and trimmed with lace, become Jane's pantaloons. An apron may also be cut from plain cotton and edged with lace.
