

Join each inside front leg, from I to J, and each inside back leg from G to H. Stitch a felt sole into each foot. Pack a little stuffing into each leg, pressing it well down into the feet. Wire each pair of legs as per General Instructions, and finish stuffing the legs. Join one underbody seam from J to H. Complete the stuffing and join the last seam J to H.

Sew in eyes (See General Instructions) and embroider eyelashes and nose. See photograph.

Glue small spots of contrasting felt to butterfly wings, fold and stitch to top of Faun's tail.
